Olive Oil Visit & Tasting

PROGRAM

1. Welcome - introductions and a brief description of our company.

2. A short walk in our olive grove while talking about the history of the olive tree and the varieties of trees that thrive in our area.

3. A Guided tour of the olive mill, demonstration of the mechanical equipment used and explanation of the production process.

4. A Video presentation of the stages from the olive harvest to the olive oil milling.

5. Testing and analysis of the tasting process, organoleptic properties and evaluation of oils.

6. Our tour is completed with a small treat, taking photos and a gift of a bottle of our Extra Virgin Olive Oil.
